§ 121.1002 Who makes a formal size determination?

The responsible Government Contracting Area Director or designee makes all formal size determinations in response to either a size protest or a request for a formal size determination, with the exception of size determinations for purposes of the Disaster Loan Program, which will be made by the Disaster Area Office Director or designee responsible for the area in which the disaster occurred.

§ 121.1003 Where should a size protest be filed?

A protest involving a government procurement or sale must be filed with

the contracting officer for the procurement or sale, who must forward the protest to the SBA Government Contracting Area Office serving the area in which the headquarters of the protested concern is located, regardless of the location of any parent company or affiliates.

§ 121.1004 What time limits apply to size protests?

(a) *Protests by entities other than contracting officers or SBA*—(1) *Non-negotiated procurement or sale*. A protest must be received by the contracting officer prior to the close of business on the 5th day, exclusive of Saturdays, Sundays, and legal holidays, after bid or proposal opening.

(2) *Negotiated procurement*. A protest must be received by the contracting officer prior to the close of business on the 5th day, exclusive of Saturdays, Sundays, and legal holidays, after the contracting officer has notified the protestor of the identity of the prospective awardee.

(3) *Multiple award schedule*. On a multiple award schedule procurement set aside for small business, protests will be considered timely if received by SBA at any time prior to the expiration of the contract period (including renewals).

(4) *Electronic notification of award*. Where notification of award is made electronically, such as posting on the Internet under Simplified Acquisition Procedures, a protest must be received by the contracting officer before close of business on the fifth day, exclusive of Saturdays, Sundays, and legal holidays, after the electronic posting.

(5) *No notice of award*. Where there is no requirement for written pre-award notice or notice of award, or where the contracting officer has failed to provide written notification of award, the 5-day protest period will commence upon oral notification by the contracting officer or authorized representative or another means (such as public announcements or other oral communications) of the identity of the apparent successful offeror.

(b) *Protests by contracting officers or SBA*. The time limitations in paragraph (a) of this section do not apply to contracting officers or SBA, and they

§ 121.1005

13 CFR Ch. I (1–1–07 Edition)

may file protests before or after awards, except to the extent set forth in paragraph (e) of this section. Notwithstanding paragraph (e), for purposes of the SBIR program the contracting officer and SBA may file a protest in anticipation of award.

(c) *Effect of contract award.* A timely filed protest applies to the procurement in question even though a contracting officer awarded the contract prior to receipt of the protest.

(d) *Untimely protests.* A protest received after the allotted time limits must still be forwarded to SBA. SBA will dismiss untimely protests.

(e) *Premature protests.* A protest filed by any party, including the contracting officer, before bid opening or notification to offerors of the selection of the apparent successful offer will be dismissed as premature.
